

Cancellation of National Championships 2020

Over the past 3 months Ice Hockey Australia has had numerous meetings with State Presidents to find a way to run our national championships in this COVID-19 environment. Three of our State members have made the difficult decision to not take part and two members have withdrawn their previous offers to host. Unfortunately, this means that no championships will be held this year.

We regret this situation but respect their decision. The level of uncertainty, concerns about safety and the substantial financial risk for teams, and hosts, have informed these decisions.

We will be doing all we can to ensure that we can run all national championships in 2021.

Kind regards
